About the College of Music

Since 1920, the University of Colorado Boulder College of Music offers a wide range of programs for undergraduate and graduate study, integrating advanced musical and interdisciplinary training with professional-level experiences and the rich resources of a leading research university. One of the top comprehensive music schools in the country, the College of Music—situated within an internationally recognized research university in America’s top place to live—is a fully accredited member of the National Association of Schools of Music. Our students earn more than a music degree in the foothills of the Rockies: We offer diverse opportunities for interdisciplinary collaboration and a spirit of inclusive excellence. And we develop multiskilled, multifaceted “universal musicians” equipped to participate in the 21st century as artists; as broadly-based professionals with flexible career options; and as passionate, compassionate denizens of the world. Our faculty are deeply dedicated pedagogues, award-winning performers, scholars and
